## Dear Monmouth Constituency Voter

I stand against the Tories because they are back to being the nasty party.

They look after the favoured few and attack those who can't fight back. They deliberately cut benefits for the frail and disabled while rewarding their banker friends with tax breaks – those same bankers who caused the longest recession since the war.

In this constituency only voting Labour will challenge the Tories and their selfish world view. I am standing for fairness for the many not favours for the few.

**If you share this vision please vote Labour on Thursday 8 June.**

Yours sincerely

# Labour – defending jobs and communities in Wales

## Wales says No to Tory cuts

The Tories in Westminster have slashed funding for vital services for some of the most vulnerable people in Wales, while in the Assembly they've opposed more money for Welsh schools and hospitals. **On steel, on jobs, on funding for schools and hospitals, the Tories have let Wales down.**

## Why we need strong Welsh Labour MPs

Tories in Wales have tried to block Welsh Labour's extra funding for our schools and NHS, while Tory MPs have slashed £1 billion in funding for Wales. This money could have been spent on more than 1000 hospital consultants, 2000 teachers, 2500 social workers, 3000 junior doctors or 3000 nurses. **This** is why we need strong Welsh Labour MPs in Westminster.

## Only Labour can win against the Tories

This election is a clear fight between Welsh Labour and the Conservatives. It is only Labour that can stand up for Wales against the Tories. The Liberals have said they can't win. Plaid Cymru know they can't win, nor can they have an impact in Westminster. **A vote for another party just risks letting the Tories in to walk all over Wales.**

# Why I am backing Ruth Jones
